Congratulations: Congratulations to “meat ball” contest winner Charlie Keller. A hearty grazie to all participants in the contest.

The following is Charlie’s winning recipe:

For 50 meatballs, you will need 4 lbs. of lean chopped meat
12 cloves of minced garlic
2 cups of minced parsley
1 cup grated parmesan cheese
1 1/2 cups Italian style breadcrumbs
4 eggs
Dash salt & pepper

Mix well and form into golf ball size meatballs. Preheat oven to 450 degrees. Spray baking pan with Pam or use light cooking oil. Arrange meatballs in single layer in baking pan. Bake at 450 degrees for 15 minutes. Turn and continue baking for approximately 15 minutes. Taste one to see if done. When done, drain on a paper towel and then drop them into the sauce. Mangiare!

Grazie: Thank you to the Melanie and Doc for again hosting the summer Italian American Club picnic. Despite the “challenging” weather, the food was wonderful, the camaraderie was vivacious, and the “happenings” were fun for all.
