Annual Picnic: The annual picnic planning has begun! We are putting together crews to help set-up, clean-up and help out as this event usually sees a large turnout. The date is set for Sunday, July 17th. More information will be given as it becomes available.

Scholarship: The deadline for scholarship applicants was April 30th. The scholarship committee will be reviewing applications and making a decision soon. Remember all the money raised through the Italian American Club of Maui helps support our scholarships.

Transportation: Transportation will be provided for members who wish to attend the general membership meetings but are unable to drive to Kihei. To arrange transportation, contact Presidente Natalie Stanfield at 874-8493.

Newsletter / Email: We have many emails that were submitted at the beginning of the year. Thank you to everyone that gave their email to the IAC. We ask that if you have an email to please send it to laura.cowell@gmail.com. Email is a cost effective and environmentally friendly way for our club to communicate information to the members.
